in the area of the Applied Geophysics
2021/2022

Local Chapter EAGE Czech Republic announces
the tenth annual competition for the best Master thesis
in the field of Applied Geophysics.

PRIZE FOR WINNER:

**600 Euros, free EAGE membership for 2023 and
a voucher to any EAGE online education course**

The competition is open to students in the Master's degree programs at the universities who defended their Master thesis in the academic year 2021/2022. Thesis must be written in either English, Czech or Slovak language and defended **in the period of 4th October, 2021 - 3rd October, 2022.**

The works will be assessed by an expert commission composed of at least 3 members (representative of LC EAGE, MFF and Faculty of Science, Charles University). Its decision is final.

Participation in this event does not create a legal right to win and the commission reserves the right not to award a prize to any theses.

DEADLINE FOR THE APPLICATIONS:
